**Subject:** Lowerline

I'm heading to Lowerline today to do a site walk with ER. We got an emergency TO through while the action memo goes through concurrence. ER will meet with the City rep to begin that coordination.

I'll get feedback from ER as to the start. I'm thinking we are looking at May 13th.

Sorry if your stuck watching coasties get in the way of the cleanup. I figure the excavation will be about 2 weeks.
